How to get to Gdynia?

Poland is very diverse country with mountains on the south, sea on the north and beautiful lakes, forests in between. Gdynia is one from 3-city complex (Gdańsk + Sopot + Gdynia) in Pomeranian Region. Gdańsk is a city with long history and beautiful old town. Sopot is a famous seaside resort. Gdynia is a relatively young city (born out of the Treaty of Versailles in 1919) with sea port.

There is also good and cheap bus connection between airport and Gdańsk Wrzeszcz; Gdańsk Główny or **Gdynia Główna** (see: Picture 1) . Time tables are attached (see: Picture 2).

TRAIN

Gdynia and Gdańsk are also important railway stations for international trains (for example from Berlin, Vienna or Kaliningrad), but traveling by train in Poland might be quite expensive and time consuming.

BUS

3-CITY TRAIN

The easiest, the fastest and the cheapest way of traveling between 3-city is Urban Fast Train (SKM). You can buy a ticket in the ticket office, newsstand or direct from the machine, that is on (or near by) every SKM platform (see: Picture 3). Please be aware that the tickets bought in the ticket office or newsstand **need to be validated** in the machine (see: Picture 3), that is on (or near by) every SKM platform **BEFORE You enter the SKM train**. Tickets bought from the machine (available language versions on the screen: English, German, Polish) are already validated. The tickets are validated only for the next SKM train.
